Redemption A Contemporary Erotic Romance Iris Series

This is the second book in the Iris Series, and I was looking forward to this one, as I was impressed with Ayanna from book one. She is funny, feisty, beautiful, yet a little insecure, and the chemistry between her and Jonathan was intense.

7 Different Types of Romance Subgenres All The Kissing

According to the Romance Writers of America (RWA), contemporary romance is characterized as modern novels, set from 1950 to the present that focus primarily on the romantic relationship. As more time passes, that date is subject to change (i.e., soon the 80s will be considered historical, so contemporary romance would be any story set in the 90s or later).
