RELATED BOOK :

Essentials of Abnormal Psychology Amazon de V Mark

Abnormal psych is not a cheery topic but, this book made it worse. When I needed to double check that what I was reading smacked of sexism and a feeling of "if you're mentally ill it is your fault", I read passages of it to a friend who is an older "guy's guy" and he was also taken aback by the tone.

Essentials of Abnormal Psychology by V Mark Durand

A wonderful book & as the title indicates Abnormal Psychology. Enjoyed the class and loved the teacher. I think the book really did well in explaining each abnormality with the description, symptoms, causes, treatment, and of course examples of people that would have the illness. I would buy this book and most likely will later. I did not use the CD -ROM.
