Eternal Echoes Exploring Our Hunger To Belong Amazon de

In Eternal Echoes John O'Donohue embarks upon a journey of discovery into the heart of our post-modern world - a hungry, homeless world that suffers from a deep sense of isolation and fragmentation. With the thousand-year-old shelter of divine belonging now shattered, we seem to have lost our way in this magical, wondrous universe.

Eternal Echoes Wikipedia

Eternal Echoes is the name of John Barry's final solo album. It was his follow-up recording to The Beyondness of Things , an original solo album of independent material not connected to any film. The composer described the 11 pieces of Eternal Echoes as comprising "an album of sounds, of places and of objects that have always existed and always will exist.
