While Knievel was healing from his most recent round of injuries, the book Evel Knievel on Tour was released. Evel by Leigh Montville Goodreads Share book

I'm torn. On the one hand, the author takes almost 400 pages to say what I can say in five words: Evel Knievel was a dick. On the other hand, it's pretty entertaining to read about the extent of the guy's dickishness (and about his stunts).

If I had known going into this book what Evel Knievel was really like behind the scenes, I would probably have never bought a copy. But that would have been a mistake.
