How to Write a Book Summary with Sample Summaries

If you need to write a book summary, keep a notebook beside you while you're reading the book and write down your thoughts, a list of characters, major themes in the book, and plot development. When you start drafting your summary, introduce the book and the main characters, then describe the major plot points in the order they happened. Conclude by stating the book's key idea.

How to Write an Executive Summary for Your Proposal

Here's how to write an executive summary that seals the deal. I have written, edited, or managed the creation of what feels like a gazillion business proposals in my career, and 90% of the time I had a feeling of dread throughout the whole process (this was obviously in the dark ages before Proposify existed).

The Best Way to Write an Executive Summary wikiHow

Understand that an executive summary is a short review of a business document. "Short" and "review" are key words here. The executive summary is not going to be comprehensive in any way, nor will it be a substitute for the original document.
