### **Far from the Tree by Andrew Solomon Andrew Solomon**

Parenting, writes Andrew Solomon in Far from the Tree, is no sport for perfectionists. It s an irony of the book, 10 years in the making and his first since The Noonday Demon, that by militating against perfectionism, he only leaves the reader in greater awe of the art of the achievable. The book starts out as a study of parents raising difficult children, and ends up as an affirmation of what it is to be human.
