10 Famous Science Fiction Authors You Must Be Reading

When one thinks of science fiction authors, H. G. Wells is probably one of the first names that come to mind.

Not only was he the best but also the most impactful in the sci-fi genre with some smash hit novels that are still ripe to be spawned into films. He wrote novels, history, social commentaries, textbooks and is also labeled Prophet of Science Fiction among Gernsback and Verne.

List of science fiction authors Wikipedia

Note that this partial list contains some authors whose works of fantastic fiction would today be called science fiction, even if they predate or did not work in that genre. There is also a considerable overlap with the List of fantasy authors , since many authors are equally comfortable with both genres, and since some works deliberately combine the two or blur the distinction.
