Fighter Pilot Paul Richey Google Books

Originally published anonymously in 1941, this was the first and finest story of a World War Two fighter pilot. The author's personal journal takes us into the action of the air battles preceding the fall of France, recounting both the unnerving lull right before the violence and the fatigue of the Blitzkrieg, with its non-stop combat.

Fighter Pilot by Mac 'Serge' Tucker Goodreads

This book was so good, I couldn't put it down and ended up finishing it in two days. "Serge" was a fighter pilot in the RAAF in the 90s and he gives an insight into operational life, and the shit they managed to get away with being the "best of the best".
