Top 10 MUST READ Books for Financial Advisors Advisor

How often do you read a non-fiction book (or any book at all) as a financial advisor? What I have come to sadly realize is that most financial advisors are not reading enough, or in many cases, not at all.

DIY Financial Advisor A Simple Solution to Build and

The book closes by offering three reasons why people won't follow the book and do it themselves: fear of failure, inertia, and not wanting to give up an advisor who is a friend. It also offers three risks for the DIY investor overconfidence, the desire to be a hero (seems to overlap with overconfidence), and that the theories may be insufficient for future market behavior.
