Five Minds for the Future Howard Gardner

talking about Five Minds I am of course interested in psychology, but I am really speaking from the perspective of policy. And in that sense, there are many other minds that I could have talked about. As the policy maker/Tsar, these are the minds that I would try to promote today and tomorrow.

Five Minds for the Future Amazon de Howard Gardner

Howard Gardner lays out "five minds" he thinks are necessary for future societies and workplaces in Five Minds for the Future. He even in a later chapter gives the order in which he believes these five different ways of thinking should be developed. I will try to tell you what they are from memory. 1. The Respectful Mind.

Five Minds for the Future Harvard Business Review

When I talk about the five minds for the future, there is no scientific claim that these are the five minds that God gave us or that are innate or that we have to develop. Rather, I'm making the case that in the future people need to have minds that are disciplined, capable of synthesis, creative, respectful, and ethical.
