Forks Over Knives Goodreads Share book

This book is the companion book for the film: Forks Over Knives; it works fine as a standalone book. The film is specifically mentioned in a paragraph at the end of the book and it's clear from the beginning of the book that a documentary film exists. I haven t seen the film yet, but I do want to see it. I knew about the film long before I knew about this book.

Forks Over Knives Wikipedia

Forks Over Knives is a 2011 American advocacy film and documentary that advocates a low-fat, whole-food, plant-based diet as a way to avoid or reverse several chronic diseases.

Forks Over Knives The Plant Based Way to Health T Colin

I absolutely LOVE this book. I bought it after I watched the documentary two or three times, and seriously this

documentary, book and the Forks Over Knives cookbook all changed my life completely.
