Four Season Harvest Organic Vegetables from Your Home

I bought this book a few years ago as a present for my spouse, and should have written a review ages ago. But it may be just as well, since I can say that this book survives the test of time and seasons. This book inspired our first hoop house, and it was planted in our zone 6 location in January.

Four Season Harvest Organic Vegetables from Your Home

I love the pragmatic approach in this book to all season vegetable farming. Being written by someone who has done this, still does it, and makes it work is a huge plus for this book. So many farming/gardening books are more based on theory rather than the sensible and practical nature of Elliot's approach.
