Complete Works of Friedrich Nietzsche by Friedrich Nietzsche

The German philosopher Friedrich Nietzsche became one of the most influential thinkers of the nineteenth century, whose attempts to unmask the motives that underlie traditional Western religion, morality and philosophy would deeply affect generations of philosophers, psychologists and authors.

Nietzsche himself said something of that sort, somewhere. Nietzsche did something of that sort continuously: his works were not respectable by the most serious scholarly standards of the day. So, if you want the spur: ignore much of the quibbling of the august nitpicking reviewers. Go ahead, dive in, read what tickles your whim. http://ebookslibrary.club/The-Complete-Works-of-Friedrich-Nietzsche--Friedrich--.pdf

Friedrich Nietzsche Wikipedia

Friedrich Nietzsche held a pessimistic view on modern society and culture. His views stand against the concept of popular culture. He believed the press and mass culture led to conformity and brought about mediocrity.

Nietzsche saw a lack of intellectual progress, leading to the decline of the human species.
