How to Find Fulfilling Work Brain Pickings

The desire for fulfilling work a job that provides a deep sense of purpose, and reflects our values, passions and personality is a modern invention. For centuries, most inhabitants of the Western world were too busy struggling to meet their subsistence needs to worry about whether they had an exciting career that used their talents and nurtured their wellbeing. But today, the spread of material prosperity has freed our minds to expect much more from the adventure of life.
