The Life of Christ Amazon de Fulton J Sheen

I always liked Bishop Sheen but this book in telling all about the life of Christ by quoting scripture and then elaborating on each quote is Bishop Sheen's, in my opinion, best and most important work. It explains the time and circumstances around each quote. This book has helped me realize more fully how much Our Lord suffered for me and how much he loves me. I highly recommend this book to anyone who wants to get closer to the Lord.

The Life of Christ by Fulton J Sheen Paperback Barnes

But to Christ, death was the goal and fulfillment of His life, the gold that He was seeking. Few of His words or actions are intelligible without reference to His Cross. He presented Himself as a Savior rather than merely as a Teacher. It meant nothing to teach men to be good unless He also gave them the power to be good, after rescuing them from the frustration of guilt.
