### **Vegetable Gardening in a Small Space The Spruce**

Granted, a small space vegetable garden may not be enough for subsistence farming, but it will be enough to grow great tasting tomatoes, some beautiful heirloom eggplants or an endless supply of cutting greens. If you have limited space, consider what vegetables you can purchase fresh in your area already and what vegetables you truly love and/or miss.

### **How to Garden in a Small Space 10 Steps with wikiHow**

You can't always divide the space if it is very small, but if you have a bit of space to work with (say, a small back yard rather than an apartment balcony) don't have all of it showing at once. Have a pathway to another space or area. A small space could be just right for a hidden treasure or for a place to hide out.
