### **Vegetable Gardening in a Small Space The Spruce**

Knowing that, you can space things out and see just how much you can fit into your space. More likely however, you will do what most gardeners do and squeeze in as many seedlings as you can fit into your garden, then deal with the crowding later. That's one way to get a large yield from a small space, but not the best.

### **How to Garden in a Small Space 10 Steps with wikiHow**

How to Garden in a Small Space. In many places, land is costly or scarce. Many homes and apartments include only a tiny porch, balcony, or patio. Others have a very small yard backing up to the neighbor's fence or the back side of another structure or a smaller part of a larger garden, such as a side alley. But even a single, well-placed container can add personality and color to a small space. Make the most of it.
