Geronimo Stilton Wikipedia

Geronimo Stilton is an Italian children's book series published by Edizioni Piemme of Milan, Italy, since 2000. Although the series credits its title character as the author, the idea was originally thought of by Elisabetta Dami. On older novels, the copyright is issued to a pseudonym "Geronimo Stilton"; this was changed on newer books. The books are intended for readers in the 6-12-year-old age range.
