### **Get Out of That Pit Straight Talk about God's Deliverance**

We're talking hopelessly, depressingly STUCK with no idea how to get out. Sometimes I don't know how I even got there, let alone how to get out. Beth Moore is a Bible teacher and author of many books (really good ones at that!). I just re-read her book "Get out of that Pit" which was re-released for its 10th anniversary.

### **Get Out of That Pit Straight Talk about God's Deliverance**

Practical Deliverance Get Out Of That Pit is exactly what the title says. This book will help you get out of whatever pit you find yourself in. Beth Moore discusses four different ways we find ourselves in pits, and biblical ways to get out of them. This is the second book I've read by Beth Moore. The first one was Breaking Free, which was also good.

Graciously, God does not leave us to ourselves. After discussing the three ways we get into pits, Moore moves to getting out of the pit. Make no mistake, Moore says that God is the only one who can pull us from our pits.

However, she does not explain how He rescues us from the pit.

### **Get Out of That Pit Straight Talk about God's**

Get Out of That Pit! is a book about the "pits" of life, how we get into them, and how we can get out through the power of God. The chapters on how we get into pits - we can be pushed in by someone else, fall in unintentionally, or jump in fully knowing what we are doing - were golden. I found the rest of the book to be just ok.
