The Ghost of Fossil Glen is the best book that I have ever read. I would suggest this book to everyone from 9-99. I read it as a summer reading book to go into the 6th grade. I would, and am, suggesting it to everyone that I know. The book is too interesting to put down! I didn't stop reading it until I have read for over 3 hours and my mom was yelling at me to put it down. The Ghost of Fossil Glen is too good to put into words. This mystery had a great plot and kept me on my toes.
