The third book in The Sisterhood of the Traveling Pants series takes place just after the girls have graduated from high school. The last book of this series is going to hurt so much. I love these girls.

### **Girls in Pants The Third Summer of the Sisterhood by Ann**

Girls In Pants is the third book of The Traveling Pants series. I really adore these books. This one seemed less about the pants (plays a much smaller role than the previous books) and more about the friends growing up.

Looking forward to reading Forever In Blue, and the newest, due to be released this month, Sisterhood Everlasting.
