This a great gift for a diva turning 50. I took it with a group of ladies 50- 61 on a 50th birthday celebration trip to Mexico We all enjoyed reading it. I have had their other book,Goddesses in Every Woman for years and love that as well. Both are well researched and help women understand their motivations and passions.

This is how "Goddesses in Older Women" by Jean Shinoda Bolen, MD begins. I love that. I love the idea of speaking to women about not only becoming a choice maker, but becoming the protagonist in their own lives. Yes, we do know that what we choose to do, or not do can change our lives.
