### **Good to Great Wikipedia**

How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck.

### **Good to Great Why Some Companies Make the Leap and Others**

I found this quote profound because I believe that in order to make something more than just mediocre, one must be in an above-mediocre mindset. As an Industrial Engineer, I feel the need to have this mindset of greatness, in order to not only make a product, system, or company good, but GREAT.
