Greek Yogurt Veggie Dip A Couple Cooks

The shallot in this recipe is also important, as it gives this Greek yogurt veggie dip a hint of garlicky onion flavor. In a pinch, you could add a little chopped garlic and yellow onion to this recipe, but I'd avoid that if possible since this dip can easily be overpowered by such strong flavors. Shallots have a fairly mild flavor, which works well in this simple yogurt dip.

I did detect the slightest Greek yogurt flavor, but it wasn't strong.
