### **Hallowed Uearthly 2 by Cynthia Hand Goodreads**

Hallowed is a difficult book to rate because it's not going to appeal to everyone. If you're the kind of person who needs fast paced adventure then you're better off picking up something else. Hallowed is very much focused on relationships, self-growth and destiny.

### **Hallowed Ground Flight Glory eBook Rebecca Yarros**

Nevertheless, Hallowed Ground is probably my favourite of all 4 books. It had so much and more. There is a chance that I won't read the middle two books again, for something in this book will make it impossible.

### **Hallowed The Blessed 3 by Tonya Hurley Goodreads**

Hallowed is by far my favorite book in The Blessed Trilogy! Some parts were a little slow for me, but overall it was GREAT! I expected to what happened to happen and that's why it took me forever to read this. I didn't want it to end, and I was so invested in Ceclia, Agnes, Lucy, and Jesse.

**Book Review Hallowed Uearthly 2 by Cynthia Hand**

Hallowed is a decent sequel to Uearthly. It starts where Uearthly left off, and follows the lives of Clara and her family and friends. If you like YA paranormal romance, feel free to give the Uearthly series a try. The lore behind the Angels is intriguing, at times even refreshing, and the book is well worth reading.

**Amazon com Hallowed eBook Bryant Delafosse Kindle Store**

Hallowed reminds me of one of those gems, but the darkest, strangest installment to that series ever. With The Mall, Delafosse meticulously details the novel's setting, while with Hallowed, the characters are built in the first half to the point that you feel you know them and care for them.
