HBR Guide to Project Management HBR Guide Series

I'm running a startup, and was excited to see a new addition of project management from HBR. Boy was I disappointed at the quality of information in this book. I've seen better blogs. The book is just a collection of well-known axioms, like identify stake-holders and make sure you have regular meetings.

HBR Guide to Project Management Goodreads

I skimmed more than read this, so take this review with a grain of salt. It's more of a healthy reminder than a book that adds anything new. If you don't have much experience with project management or team building, this book will add value. If you do have experience in project management, it's a very nice skills refresh.
