Healthy Mom Happy Baby

Healthy Baby. During our 40 years of parenting eight kids and our 35 years of caring for new families in my pediatric practice, my wife, Martha, and I have learned a lot about what it takes to raise a happy, healthy child -- and how to enjoy the ride yourself.

Happy Healthy Child

Happy Healthy Child is a fabulous resource. You would have to read 30+ books and attend many workshops for this kind of content. This series is great for parents who do not have access to holistic childbirth classes. It is also a good way to involve your spouse without expecting them to do tons of reading.

8 Signs of a Healthy Baby Parents

All of these interactions show that your baby is connecting with you and becoming more aware of his surroundings. On some level, he understands that people interact with him more when he behaves in a socially engaging manner. By the time a baby is about 5 months, he almost has to smile when someone smiles at him, as if it's a reflex.
