### **Mariel Hemingway's Healthy Living from the Inside Out**

I think this would be a valuable book for those who haven't really had much experience living a healthy lifestyle. For me, there was nothing new, and I actually found it a bit tedious. Also, I hate to say this, but I don't think Ms. Hemmingway has worked out her food issues (which she admits she has), because her diet is extreme, even for those of us who are veteran health food store enthusiasts.
