RELATED BOOK :

TKV Desikachar 1938 2016 Heart of Yoga

When I showed Desikachar the published version of The Heart of Yoga in 1995, he cried quiet tears. He said, I wish my father had seen this book. He did not see the worldwide effect of his work in his lifetime. But now he does from where he is. This book is Desikachar's gift to us, and includes his father's commentary on Patanjali's Yogasutra, the ancient text that defines Yoga. The Heart of Yoga has been translated into many languages and has become a source text for Yoga today.
