### **HEAVEN IS FOR REAL FOR KIDS International Edition**

Reading Heaven is For Real brought back memories of my last days with my Mom and knowing I will see her again. Thanks to the Burpo family for sharing your family to the world by writing this book. This book and Colton's experience in Heaven truly blessed me. I want to share this book with a young couple I know whose baby passed away at 2 months. They know he's in Heaven and I think the way Colton talked about the sister who was miscarried and how he met her in Heaven is very comforting.
