Heaven is for Real A Little Boy's Astounding Story of His

Reading Heaven is For Real brought back memories of my last days with my Mom and knowing I will see her again. Thanks to the Burpo family for sharing your family to the world by writing this book. Heaven Is for Real A Little Boy's Astounding Story of His

Heaven is certainly real, but this book appears to be, at best, sentimental imagination. For those who do not view the Bible as infallible or prefer to credit personal experience over Scripture this might be a nice feel-good read.
