Tips for Growing a Kitchen Herb Garden The Spruce

Probably the most popular herbs to grow and use are the culinary herbs. Herbs used for cooking and seasoning can be incorporated into your existing flower or vegetable beds, grown separately near the kitchen door or kept handy on the kitchen counter. Growing culinary herbs is very similar to growing vegetables. The two most important considerations are to harvest at full flavor and to never use any fertilizer or pesticide on them that isn't labeled for use on edible plants.
