A History of the Jews by Paul Johnson Goodreads

I believe "History of the Jews" is still considered to be the definitive history of the Jews. It was recommended to me by several members of the Orthodox Jewish community as the most detailed and accurate account of the Jewish experience through history. I hope you will read this book and learn as much from it as I did from Johnson's amazing work. You won't be dissatisfied.

Henry Milman History of the Jews 1830 Free Online

The appearance of the "History of the Jews" in 1830 caused no small consternation among the orthodox, but among the Jews themselves it was exceptionally well received. Dean Milman wrote several hymns, including "Ride on, ride on in majesty," "When our heads are bowed in woe." Although this history carries the Jewish race down to modern times, it is included in the section of THE WORLD'S GREATEST BOOKS treating of ancient history, as it is the history of an ancient race, not of a definite country.
