### **A People's History of the United States Wikipedia**

A People's History of the United States is a 1980 non-fiction book by American historian and political scientist Howard Zinn. In the book, Zinn presented what he considered to be a different side of history from the more traditional "fundamental nationalist glorification of country". Zinn portrays a side of American history that can largely be

### **A People's History of the United States by Howard Zinn**

A People's History of the United States by Howard Zinn is a 2005 Harper Perennial Modern Classics publication. I admit, up front, that this my first go at this book. I vaguely remember some controversy surrounding a history book that exposed the darker side of American History, and whether or not it belonged next to traditional history text in schools.

### **A People's History of the United States Google Books**

Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace.

### **A People s History of the United States Summary SuperSummary**

So naturally it would be expected that the stories within A People s History of the United States are not those of typical American triumphs that are told in most history books. In the first few chapters Howard Zinn focuses on the discovery of America, its independence, and the American revolution.
