Amazon com The History of the World 0884841015542 J M

Let me begin by saying what this book, The History of the World, is not. It is not a chronological compilation of the who, what, when, and where of history. Nor is it a series of engaging glimpses of events and stories collected from world history. If it were I would have found it far less enjoyable. Rather this book addresses the what and to some degree the why of human history - from the earliest hominids into the Arab Spring of our own time.

John Roberts historian Wikipedia

Roberts died in 2003, at Roadwater, Somerset, shortly after completing the fourth revised edition of his The New History of the World. Legacy. The John Roberts Memorial Fund was established in his honour at Merton College in 2003, with the aim of increasing the financial support available to undergraduate and graduate students. The college hoped that the first recipient would be a history graduate.
