### **Holy Cow An Indian Adventure by Sarah Macdonald**

I first read Holy Cow in 2006 or 2007. It was interesting to look at Indian diversity and idiosyncrasies through the eyes of an outsider who wanted to make sense of the chaos. I loved it. But in order to appreciate this book, you must have the ability to laugh at India's eccentricities. It is one of the very few books which I have re-read and enjoyed.
