### **Home Cooking A Writer in the Kitchen by Laurie Colwin**

Home Cooking: A Writer in the Kitchen is a delightful, albeit slightly dated (published in 1988), collection of essays on home cooking and entertaining. Colwin is at her funniest when describing dinner parties and dishes gone horribly awry, but the tone of the whole is engaging and personal. Her voice is both self-deprecating and assured. If you like to cook, this is definitely worth the read.
