I am a birth parent Can my adopted child find me Steps

If your child was adopted after September 1, 2008, your child can get identifying information about you. But that does not mean that your child can contact you. If you do not want to be contacted, you can file a no contact notice. If you want your child to be able to contact you, you can file a notice of contact preference. This tells your child how you want to be contacted if they wish to contact you.
