### **How Children Succeed Grit Curiosity and the Hidden**

As someone possibly striving to become a teacher, I appreciated How Children Succeed. Paul Tough variegates his writing style enough to keep the book entertaining without losing track of the message he puts forth - one way he does this is by including various anecdotes. He does not just share stories about kids who have suffered in the current education system, but he reveals parts of his own journey, such as when he dropped out of Columbia University.

### **Amazon com Customer reviews How Children Succeed**

How Children Succeed challenges some conventional wisdom on causes of failure (poverty, teacher quality) and contends that nurturing character in children and young adults is the key to success. As a former NYC Teaching Fellow who has lived and worked in multiple communities of cyclical poverty, I'm convinced that Tough has nailed some critical pieces of breaking those cycles.

### **HOW CHILDREN SUCCEED by Paul Tough Kirkus Reviews**

Families, he says, are the main drivers of children s success in school. Heckman s thinking informs the book, which includes many examples of failing disadvantaged students who turned things around by acquiring character skills that substituted for the social safety net enjoyed by affluent students.
