" Why Nations Fail is a truly awesome book. Acemoglu and Robinson tackle one of the most important problems in the social sciences a question that has bedeviled leading thinkers for centuries and offer an answer that is brilliant in its simplicity and power. A wonderfully readable mix of history, political science, and economics, this book will change the way we think about economic development.

Why Nations Fail The Origins of Power Prosperity and

Why Nations Fail is full of astounding stories. I ended up carrying the book around, asking friends, Did you know this? The stories make it a pleasure to read. More important, though, Acemoglu and Robinson changed my perspective on how the world works. My suspicion is that I won't be the only person to say this after reading Why Nations Fail.
