Jim Collins Books How the Mighty Fall

By understanding the five stages of decline we uncovered in our research for How the Mighty Fall, leaders can substantially increase the odds of reversing decline before it is too late or even better, stave off decline in the first place. Decline can be avoided. The seeds of decline can be detected early. And decline can be reversed (as we've seen with notable cases such as IBM (IBM), Hewlett-Packard (HPQ), Merck (MRK), and Nucor (NUE)). The mighty can fall, but they can often rise again.

How The Mighty Fall Summary Jim Collins PDF Download

Collins is a calm, direct writer with a gift for breaking down complex corporate dynamics into clear, comprehensible lessons. His books are rare but welcome postmortems. Their foremost qualities are their readability and the clarity of their advice. His signals of failure and level-headed prescriptions for success are such common wisdom now it is easy to forget how innovative this book was when it first appeared.
