Making Your Own Book Instructables How to make anything

For the front and back pages you will need to measure your book again. Things might only have slightly changed, but every mm will be important now. My book came out to 16.1cm by 14.3cm in the end. For the front and back pages you have to double the length of the book, so in my case 16.1 times two. the 14.3 stays the same. Cut two pieces of paper in this size. You can use the same paper you have for the pages, or use different coloured paper, whatever you like.
