4 Ways to Crochet a Blanket wikiHow

To crochet a blanket, start by chain stitching the width of the afghan. If you're new to crocheting, do this with a light-colored yarn, because this will make it easier for you to see your stitches. When you've finished chaining, turn your work around so you're moving from right to left and crochet the rows until you get the length you want. For example, if your blanket is for an infant, aim to make it 36 inches long.
