To draw manga, start with a basic outline of the head. Use sharp, zig-zag shapes for the hair, and large, expressive eyes. Draw a small nose and mouth, keeping the focus of the face on the eyes. For the rest of the body, start with the basic outline of torso, legs, and arms. Add unique clothing to the character, like a gothic style, and accessories, like bags, pets, or hats. For a less detailed character, you can borrow styles from anime to make the character look more like a cartoon.
