How to Live Like a Lady Lessons in Life Manners and Style

What makes a lady? It's what the French (who know about these things) call je ne sais quoi. It's a certain something that results from the delicate combination of elegance, charm, and wit. No matter how good looking, wealthy, or accomplished a woman might be, she isn't living the life of a lady until she behaves like one. How to Live Like a Lady is a handbook that will guide any woman, manicured hand in manicured hand, to a lifestyle of manners, style, and elan.
