How to Sew an Adjustable Chef's Apron 11 Steps with

To make the apron, you'll need to gather up your supplies: Adult: 1 1/2 yards of pre-washed and ironed fabric, give or take. You can get by with a little less if you make a shorter tie. I like the tie to be long enough to cross in the back and wrap back around to the front to tie so I can tuck a dishtowel in there for handwiping and such. If you are ok with it tying in back, you'll only need about 1 1/4 yards.
