How to Market an Online Business Bizfluent

Manage your online marketing dollars effectively by using pay per click (PPC) advertising. PPC advertising lets a business owner create an online banner to be placed strategically on relevant websites, with each customer click resulting in a withdrawal of a predesignated amount from your prepaid account. Major PPC providers like Google can help you craft a reasonable budget for each banner in operation (see Resources below).

How to Start an Online Marketing Business

Businesses with a website need to know how to reach and attract their marketing online. Many of these businesses would rather pay someone to do their online marketing as opposed to learning and doing it themselves. That's where an Internet marketing specialist comes in. An internet marketing specialist helps business build an online marketing plan, and in some cases, implement and manage the plan.
