How to Paint Portraits from Photographs A Step by Step

11. Paint in your background. In most of my portraits the backgrounds are minimal. I like to crop in pretty tight on my subject and block in a color to keep it simple. If you haven t already painted it in, try to choose a color that doesn t compete with your subject and add it around the portrait. If you block in a color and you don t like it, just wipe it off and use another. In this case I used white and ultramarine.

How to Paint a Portrait Skin Face Our Pastimes

Use a pencil to sketch the portrait of a face on the canvas. Sketching the face prior to painting will yield a more accurate portrait. The sketch will also help you determine where certain colors and shades belong. Sketching will also help you decide which type of paint you want to use, such as oil colors or watercolor paint.
