How to Start a Photo Booth Rental Business (Part 2) We continue on with this 2 part blog series. To go back to Part 1 [CLICK HERE](#) . 4. Buy a Franchise Vs Own Entity. Most people want to build their own thing but starting from scratch is hard and there is a lot of competition. Buying into a good franchise model can be a lot less work and is worth considering especially if you want a dedicated support network around you who is invested in seeing you succeed.

### **How Much Can I Make Running a Photo Booth Business**

I'm in a mid size market so prices range from \$500-\$1000 for a booth rental. If you're in Manhattan or Downtown Chicago, the booth cost will be higher. In my earlier post discussing how to start a photo booth business, I discussed that variable expenses per event were roughly \$100 per event if you work the event yourself.

### **How to start a photobooth business Quora**

Starting a photo booth business is basically like starting any other rental business. All you really need is one photo booth, a vehicle to transport it to events, and a little bit of marketing. After you've done a couple of events you can use the money to buy a second photo booth, hire someone to run it and just like that you double the business' income. Obviously for the purposes of this post

### **Starting Your Own Photo Booth Rental Business Part 1**

The Business Model You have two choices, you can acquire a photo booth business franchise or set-up your own. However, with franchises, you end up spending a lot upfront and share a portion of your profit with the photo booth company. Investing on your own photo booth business might only mean that you get your ROI after 10 to 15 bookings.
