How To Stay Alive In The Woods Book Review Backdoor Survival

There are a lot of prepper books out there to choose from. Occasionally we are going to review a book here that is highly recommended. Some of these are books that helped me get through some hard times and learn a lot of things I could never do before. This post s selection is How To Stay Alive In The Woods by Bradford Angier. This was a new author to me, but my father was familiar with his books as they related to the whole back to the land movement.
